

# What's New in Norfolk AIR ?

- There is a NEW drop down tab in the Norfolk AIR 'Info' panel called "Building Plan Review". If the specific property being viewed has a Plan Review, the application number and date are displayed. To view more information about the Plan Review, simply click the application number and a popup window will appear listing the Description(s) and Date(s).

The screenshot displays the Norfolk AIR web application interface. On the left, a sidebar contains a list of categories with checkboxes: Real Estate - Commercial/Industrial, Schools, Municipal Services, Planning, Public Safety, Civic, Code Enforcement Cases, Building Permits, Building Plan Review, and Legal. The 'Building Plan Review' tab is selected. Below this tab, a table lists application numbers and dates. A red arrow points from the application number 130004475 in this table to a popup window on the right. The popup window, titled 'Active Plan Review', displays details for the selected application, including the address, application number, application date, and a list of descriptions and dates.
